Hyperdramatic

Damhnait Doyle

I leave knowing it's the last time I'll love you
We'll only meet again to go through the motions
And the things that endeared me will erode with every day
As I'd grow to resent how you led me astray

It's been six days since I told you not to call
Since when did you start listening to me at all

I'm not as calm as I thought I'd be
You sucked me in, spinned me round
And set me free

Hyperdramatic, that girl is me
Hyperdramatic, I can't believe

You never do as you say,
So why do this?
I thought the only thing
I could possibly miss might be your kiss

I'm not as calm as I thought I'd be
You sucked me in, spinned me round
And set me free

Hyperdramatic, that girl is me
Hyperdramatic, I can't believe

I wandered lonely till I was all I desired
My need for you had subsided

I'm not as calm as I thought I'd be
You sucked me in, spinned me round
And set me free

Hyperdramatic, that girl is me
Hyperdramatic, I can't believe
