

Cry Me a River

Dami Im

You were my sun
You were my earth
But you didn't know
All the ways I loved you, no
So you took a chance
Made other plans
But I bet you didn't think
That they would come crashing down, no

You don't have to say what you did
I already know, I found out from him
Now there's just no chance
With you and me
There'll never be
Don't it make you sad about it?

You told me you love me
Why did you leave me all alone?
Now you tell me you need me
When you call me on the phone
Girl, I refuse
You must have me confused
With some other guy
The bridges were burned
Now it's your turn, to cry
Cry me a river
Cry me a river
Cry me a river
Cry me a river

You know that they say
Some things are better left unsaid
It wasn't like you only talked to him
And you know it
(Don't act like you don't know it)
All of these things people told me
Keep messing with my head
Should've picked honesty
Then you may not have blown it

You don't have to say what you did
I already know, I found out from him
Now there's just no chance
With you and me
There'll never be
Don't it make you sad about it?

You told me you love me
Why did you leave me all alone?
Now you tell me you need me
When you call me on the phone
Girl, I refuse
You must have me confused
With some other guy
The bridges were burned
Now it's your turn, to cry
Cry me a river

Cry me a river

Cry me a river

Cry me a river

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

Oh! The damage is done

So I guess I be leaving

You don't have to say what you did

I already know, I found out from him

Now there's just no chance

With you and me

There'll never be

Don't it make you sad about it?

Cry me a river...
