

Crying Underwater

Dami Im

I'm surrounded by people, why do I feel so alone
Wondering how do I disappear, I just laugh and play along
I wanna be free but I'm a slave to the voices that echo in my head
They make it look so easy but my body's a graveyard that buries
all of my emotions

If I was crying underwater, would you see my tears?
If you knew that I was drowning, would you dive into save me?
I'm crying underwater
I'm crying underwater

It's nearly 3am but my mind just won't sleep
I beg you to shut up, then I give up, I'm flicking through the screen
Swimming upstream like I'm trapped in this ocean
Trying to find my way back home

If I was crying underwater, would you see my tears?
If you knew that I was drowning, would you dive into save me?
I'm crying underwater
I'm crying underwater
I'm crying underwater
Crying underwater

When I fell in the dark my heart was bleeding
I saw your hands they pulled me close, couldn't see your face
Can you see me?
Can you see me?

If I was crying underwater, would you see my tears?
If you knew that I was drowning, would you dive into save me?
I'm crying underwater (crying underwater)
I'm crying underwater, oh
I'm crying underwater, oh
Crying underwater, oh
Oh, I'm crying underwater
