

# Fighting for Love

Dami Im

Hold me close  
When you love  
Love is low  
I fill you up  
Hold my hand  
Feel the spark  
Start a fire  
In the dark

When the times, when the times are getting rough  
When you feel, when you feel it's all too much  
My love  
When the weight of the world is on your heart  
No, I won't let it tear us both apart  
My love

I'm fighting for love  
'Cause love is the only thing I feel  
I'm fighting for us  
'Cause you are the only thing that's real  
I'm fighting for love  
(I'm fighting, I'm fighting for love)  
I'm fighting for love  
(I'm fighting, I'm fighting for love)  
(I'm fighting, I'm fighting for love)

I'm fighting, I'm fighting for love

Don't give up  
Don't give in  
When the fears are creeping in  
No matter what you think you're facing  
What we have is too strong  
Feeling it in my bones

When the times, when the times are getting rough  
When you feel, when you feel it's all too much  
My love  
When the weight of the world is on your heart  
No I won't let it tear us both apart  
My love

I'm fighting for love  
'Cause love is the only thing I feel  
I'm fighting for us  
'Cause you are the only thing that's real  
I'm fighting for love  
(I'm fighting, I'm fighting for love)  
I'm fighting for love  
(I'm fighting, I'm fighting for love)  
(I'm fighting, I'm fighting for love)

I'm fighting, I'm fighting for love  
I'm fighting for love

When the weight of the world is on your heart  
No I won't let it tear us both apart

My love  
I'm fighting for love

I'm fighting for love  
For love  
For love  
For love  
(I'm fighting, I'm fighting for love)  
I'm fighting for love  
For love  
For love  
For love
