Paper Dragon

Dami Im

Colour me in scribble me out tear me up, throw me out
Colour me in scribble me out tear me up up up into tiny pieces
You say I'm nonsense
Figure me out, analyse me scratch me out, start again
Figure me out, analyse me scratch me out into tiny pieces
You say I'm useless

Well, you try to stamp me out, but I'll come to life
You try to burn me up, but I'll never die

I am a dragon, dragon, I breathe fire
Don't try to fight, don't try to fight watch and admire
I am a dragon, I got magic powers
Don't even try, don't even try, I'll fly for hours

Sticky tape me re-arrange me throw me out, start again
Re-use me, confuse me, shred me up, up into little pieces
You say I make no sense
O you don't own me, I don't think you're fair
Try to destroy me, I don't care

I am a dragon, dragon, I breathe fire
Don't try to fight, don't try to fight watch and admire
I am a dragon, I got magic powers
Don't even try, don't even try, I'll fly for hours

I'll be staring down at you when you look up into the sky
You thought you pushed me down but I am flying high
And I will fly
Watch me fly high, watch me fly high

I am a dragon, dragon, I breathe fire
Don't try to fight, don't try to fight watch and admire
I am a dragon, I got magic powers
Don't even try, don't even try, I'll fly for hours

I am a dragon, dragon, I breathe fire
Don't try to fight, don't try to fight, watch and admire
I am a dragon, I got magic powers
Don't even try, don't even try, I'll fly for hours

And I will fly
You can't figure me, figure me out
Ooh...
Don't try to fight, don't try to fight, watch and admire
Don't try to fight, don't try to fight, watch and admire
