

Role Model

Dami Im

Fireworks another year
Didn't know I'd end up here
Sometimes I tell the truth
Sometimes I smile on cue
I did the best I could
But I regret, I do, I do

Built me a glass dome and told me to bloom
Be like a flower and light up the room
Your expectations and all of your rules
But I'm not a fool

I am a woman
I am a daughter
I'll be a mother but I'm not a martyr
I won't be perfect
But I'll always be loving
I got my marbles, I'm not your role model

Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model

I'll try my best to win (Ooh)
But I'm not a heroine (Oh)
Don't go and glorify (Glorify)
Let's shed the stereotype
I won't be sacrificed
I won't sacrifice

Everyone's having the time of their lives
But I'm only human, I try and I hide it
Giving my best but I won't compromise
I'm not one size

I am a woman
I am a daughter
I'll be a mother but I'm not a martyr
I won't be perfect
But I'll always be loving
I got my marbles, I'm not your role model

Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model

I write my own movie with a twist in the ending
You call me selfish but I'm real
I'd rather be real

I am a woman
I am a daughter
I'll be a mother but I'm not a martyr
I won't be perfect
But I'll never stop loving

I got my marbles, I'm not your role model
I am a woman
I am a daughter
I'll be a mother but I'm not a martyr
I won't be perfect
But I'll always be loving
I got my marbles, I'm not your role model

Ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
I'm not your, I'm not your role model, ooh
