

Round Midnight

Dami Im

It begins to tell
'Round midnight, midnight
I do pretty well, till after sundown
Supertime I'm feelin' sad
But it really gets bad
'Round midnight

Memories always start 'round midnight
Haven't got the heart to stand those memories
When my heart is still with you
And ol' midnight knows it, too
When a quarrel we had needs mending
Does it mean that our love is ending

Darlin' I need you, lately I found
You're out of my arms
And I'm out of my mind

Let our love take wing
'Round midnight
Let the angels sing
For your returning
Let our love is safe and sound
When old midnight comes around

When some quarrel we had needs mending
Does it mean that our love is ending

Oh, darlin' I need you, lately I found
You're out of my arms
And I'm out of my mind

Let our love take wing
Let the angels sing
For your returning
Let our love is safe and sound
When old midnight comes around

When old midnight comes around

When old midnight comes around
