

# Sound of Silence

Dami Im

Growing tired and weary brown eyes  
Trying to feel your love through face time  
Symphonies of dreams and highlights  
Caught up in this crazy fast life  
But baby you're not here with me..  
And I keep calling.. calling..  
Keep calling.. cause..

Now my heart awakes to the sound of silence  
And it beats to the sound of silence  
And it beats to the sound of silence  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence  
And it beats to the sound of silence

Getting hard to break through the madness  
You're not here it never makes sense  
Tidal waves of tears are crashing  
No one here to save me drowning  
Cause baby you're not here with me  
And I keep calling.. calling..  
Keep calling.. cause..

Now my heart awakes to the sound of silence  
And it beats to the sound of silence  
And it beats to the sound of silence  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence  
And it beats to the sound of silence

I know, I'm stronger, and I'm capable  
I know it's all in my head  
But I keep calling calling  
Calling calling  
Home..

Now my heart awakes to the sound of silence  
And it beats to the sound of silence (silence)  
And it beats to the sound of silence  
Now my heart awakes to the sound of silence (hey..)  
And it beats to the sound of silence (silence)  
And it beats to the sound of silence..
