

# We've Only Just Begun

Dami Im

We've only just begun to live  
White lace and promises  
A kiss for luck and we're on our way  
(We've only begun)

Before the risin' sun, we fly  
So many roads to choose  
We'll start out walkin' and learn to run  
(And yes, we've just begun)

Sharing horizons that are new to us  
Watching the signs along the way  
Talkin' it over, just the two of us  
Workin' together day to day  
Together

And when the evening comes, we smile  
So much of life ahead  
We'll find a place where there's room to grow  
(And yes, we've just begun)

Sharing horizons that are new to us  
Watching the signs along the way  
Talkin' it over, just the two of us  
Workin' together day to day  
Together  
Together

And when the evening comes, we smile  
So much of life ahead  
We'll find a place where there's room to grow  
And yes, we've just begun
