

# There for You

Damian Marley

Tra la la...Tra la la...

La la la...la la

Hey!

Vexation of spirit is a waste of time

Negative thinking, don't you waste your thoughts

Verbal conflict is a waste of word

Physical conflict is a waste of flesh

People will always be who they want

And that's what really makes the world go round

Unconditional love is scarce

("Till shiloh I shall not forsake thee")

Now and forever more

Forever more, forever more...

YEAH!

You see, you gave precious life to me

So I live my life for you...You...

You see, you've always been there for me

And so i'll be there for you...You...

("Till shiloh I shall not forsake thee")

Bless your eyes and may your days be long

May you rise on the morning when His kingdom come

Good deeds aren't remembered in the hearts of men

(.....Ooooooooooh)

Bless your eyes and may your dreams come true

May you rise on the morning when Jah kingdom come

Good deeds aren't remembered in the hearts of men

("Till shiloh I shall not forsake thee")

Now and forever more

Forever more...

You see, you've always had faith in me

And so i'll have faith in you...You...

You've always been there for me

And so i'll be there for you...You...

Hey!

You've always been good to me

Even when i'm not good to myself

You've always been fair to me

Even when i'm not fair to myself

You've always done right by me

So I will do right by you...You...

("Till shiloh I shall not forsake thee")

You've always been there for me, mama

So i'll be there for you, papa

You've always been fair to me, brother

And so i'll be fair to you, sister

You've always had faith in me

And so i'll have faith in you...You..

You've always been good to me

You've always been to kind to me

You've always stood up for me

You've always been there for me

You've always been...oooooooooh

You've always been...oooooh  
You always did care for me...yeh  
You always did share with me...yeh  
You always been true to me  
And so i'll be true to you...
