

Perfect Life

Damiano David

Did you, did you, did you waste your time?
Or did I just give you all of mine?
I thought I
Could fit into your perfect life
I see it when I look into your eyes
You were just waiting to escape because I
Was just another sacrifice
For your perfect little life

I guess there's just no space for me
In your perfect life

So tell the lie
I listen to it every time
You say you're better for me
'Cause you're someone I know
But paradise
It never really satisfies
And the constant battle
It's there all the time

I guess there's just no space for me
I guess there's just no place to be

Did you, did you, did you waste your time?
Or did I just give you all of mine?
I thought I
Could fit into your perfect life
I see it when I look into your eyes
You were just waiting to escape because I
Was just another sacrifice
For your perfect little life

I guess there's just no space for me
In your perfect life

In your perfect life
I got lost
I got lost
And then you found me when I was nothing
And I was caved in
Traded in
Everything I ever was
I got lost
I got lost
And then you turned me into something
And now I see, through your eyes
That I deserve someone better
You'll never be satisfied
With all the broken pieces
You called your perfect life
I used to be a part of it
And now I realize
That I'm the broken pieces
You called your perfect life

Did you, did you, did you waste your time?

Or did I just give you all of mine
I thought I
Could fit into your perfect life
I see it when I look into your eyes
You were just waiting to escape because I
Was just another sacrifice
For your perfect little life

I guess there's just no space for me
I guess there's just no place to be

In your perfect life
