

# Silverlines

Damiano David

I feel sorrow no more  
The calm after the storm  
And peace belongs to me

Until my tears run dry  
And clouds fall from the sky  
And all my fears, they disappear  
And I see silver lines

Oh, oh  
Oh, oh

A smile, I welcome you  
A darkness, I've long forgotten you, yeah  
And peace belongs to me

Until my tears run dry  
And clouds fall from the sky  
And all my fears, they disappear  
And I see silver lines

Oh, oh  
Oh, oh

Look at those light rays, no dark days anymore  
Looking alive, ain't no zombies in the morgue  
Don't need no battles, ain't tryna start no war  
'Cause peace belongs to me

Oh, oh  
Oh, oh
