

Not on Your Own Tonight

Damien Dempsey

Walkin' through the city Was as lonely as could be I'm wanderin'
' in the night-time out in search of company I feel real isolation
When all around me life Familiar but unfriendly Unfriendly
with no choice And, I can see the evil But I can feel the good
Shining out to greet me From within bone and blood I'm throwin'
off this loneliness I can't stick it anymore Only need myself
tonight to open up that door And I know that sometimes it gets
so bad But you're not on your own so don't be sad

'Cos if you feel real bad then you're not on your own tonight P
lease don't be so sad 'cos you're not on your own tonight Oh ye
ah yeah yeah, You see I know the feelin' Don't have to tell me
nothin' 'Cos you know I know the feeling

Everybody seems to think it's they who bear the pain They who b
ear the biggest cross The loneliness and the shame Day to day y
ou suffer when you're livin' in your past If you started livin'
for the now you could free yourself at last If you started liv
ing for the now, for yourself and those around, Experience and
celebrate the freedom that you've found You could free yourself
forever, and live life as you should The choice is yours to ta
ke now 'cos I've said all that I could.

But I know that sometimes it gets so bad But you're not on your
own so don't be sad 'Cos if you feel real bad then you're not
on your own tonight Please don't be so sad 'cos you're not on y
our own tonight Well if you feel real bad then you're not on yo
ur own tonight Please don't be so sad 'cos you're not on your o
wn tonight Oh yeah yeah yeah, You see I know the feelin' Don't
have to tell me nothin' You know I know the feeling Well if you
feel real bad then you're not on your own Please don't be so s
ad 'cos you're not on your own Tonight...
