Damien Jurado

Made a big decision
Think I left you out
Made a big decision
Think I left you out

Got a lot of problems
Think I'll work it out
Got a lot of problems
Think I'll work it out

Made a big decision
Think I left you out
Made a big decision
Think I left you out

Got a lot of problems
Think I'll work it out
Got a lot of problems
Think I'll work it out
