

# Disliking The Spoons

Damien Jurado

Susan you fell asleep  
Disliking the day  
I've been on a freeway  
Rolling my wheels in contempt  
Turning my spine into glass

Sidewalks to Susan  
Thanks for this horse  
I've been on a game show  
Holding your eyes in contempt  
Making a fool of us both

Dominic came by  
Looking for you  
Disliking the spoons  
Hey, I'm ready to move  
Seems like nothing is the news
