

Engine Fire

Damien Jurado

Let's pull I have
Brake failure and a flat tire
No water no power and an engine fire

If I call you can I call you collect
I don't mean to be a bother
To make you upset
50 miles of broken bones
I've got 50 miles of broken hearts
Something tells me that
Home is this way or maybe that way

Here's a road map let's find Nevada
They've got places to stay
Busted taillights, no water
Sunburns and an engine fire
Busted taillights, no water
Sunburns and an engine fire
Busted taillights, no water
Sunburns and an engine fire
