

Mellow Blue Polka Dot

Damien Jurado

On a line, don't disturb
It ain't worth a penny's shine
Took a turn for the worse
So absurd to speak up first

Mellow blue polka dots
I forgot to call you up
Sail on son, storm is on
Call me out, press my luck

Magic hand, magic fool
Are you cool if I split
I'm not upset, it's just a test
Don't adjust your eyes just yet

Stick around
It gets worse
In your shoes
Here's your curse
