

Paperwings

Damien Jurado

Go put on your brand new paper wings
I don't mind, well as long as I can fly

Here's a noose for your head
Here's some tape for that broken wing it's sewn

Go put on your brand new dancing shoes
I don't mind, well as long as I'm with you

Here's a noose for your head
Here's some tape for that broken wing it's sewn

Go put on your brand new paper wings
I don't mind, well as long as I can fly

Here's a noose for your head
Here's some tape for that broken wing it's sewn
