

## Simple Hello

Damien Jurado

A simple hello would've been nice  
Instead you walked right by  
I do recall we used to be friends  
Has it slipped your mind

I used to call you on the telephone  
Each and every night  
Every time I see you with him  
I think, "Why even try?"

I think I've had enough  
I think I've lost my mind  
I think I've had enough  
I think I've lost my mind  
This time, this time

We used to be the best of friends  
I guess now things have changed  
You're far too busy with making out  
Do you still know my name

I think I've had enough  
And I think I've lost control  
I think I've had enough  
And I think I've lost control  
So it goes, so it goes

I think I've had enough  
I think I've lost my mind  
I think I've had enough  
I think I've lost my mind
