

I Need A Gun

Damon Albarn

I need a gun to keep myself from harm
The poor people are burning in the sun
But they ain't got a chance, they ain't got a chance
I need a gun 'cause all I do is dance
'Cause all I do is dance

I need a gun to keep myself from harm
The poor people are burning in the sun
No, they ain't got a chance, they ain't got a chance
I need a gun 'cause all I do is dance
'Cause all I do is dance
