

Conquer Me

Damone

Luckier than a four-leaf clover
Pass the pun and maybe we'll think things over
Taking the heat in stride has been on my mind
Yeah
This one here makes your heart beat faster
But all in all it just was a big disaster
Shift back from overdrive and take your time
Yeah
Was I always the last to know
That we all were so out of control
If it ever should take it's toll
Conquer Me
Conquer Me
Once I felt all alone and naked
In a place where nothing around was sacred
Look at this can't believe it was suddenly a friend of mine
I can take this as far as it goes

Stand against anyone opposed
But if I'm ever put on a throne
Conquer Me
Conquer Me
Conquer Me
Conquer Me
Lights out lights out now it's time to go home
But I just want to take you on and on and on and on
I can take this as far as it goes
Stand against anyone opposed
But if I'm ever put on a throne
Conquer Me
Conquer Me
I could take this as far as it goes
Rise against anyone opposed
But if I'm ever put on a throne
Conquer Me
Conquer Me
Conquer Me
Conquer Me
Conquer Me
Conquer Me
