

Two-Month Affair

Dan Bern

Now it's just me and the world again
It's just another two month affair
Just me and the world again
I'll be all right
I'll be all right
It's just that I didn't know

Seeing my boy and my girl in your eyes
Playing with me, playing with you
Just another two month affair
I'll be all right
I'll be all right
It's just that I didn't know

And the trees we are passing
Keep on growing and growing
And growing and growing and growing
Maybe this time I'll decide
Never, never, never get hurt again

Me and the world again
Give me a minute I'll walk again
Just me and the world again
I'll be all right
Really all right
It's just that I didn't know

I'll be all right
Really all right
It's just that I didn't know
