

# I'm Lost

Dan Black

When I was a boy  
I'd run right home  
I'd drop the needle down  
And the room would glow

You were floating in the wind and the rain  
Did you give your life up for your art?  
Oh, I want that day to come  
When I'm strong  
Not wrong

Ooh  
Ooh  
I'm lost

When I was a boy  
I didn't know  
You can watch your life  
Implode

You were floating in the wind and the rain  
Did you blow your life up for your art?  
Oh, I want that day to come  
When I'm strong  
Not wrong

Ooh  
Ooh  
I'm lost...
