I come disguise I was hypnotized Lost a track, struggled back I wanted easy stuff to please me Something in the dark began to squeeze me

Seen it there, then there in the mirror Totally focused, no hocus pocus Dare I give in to this thing gripping my skin To win, thinking how to as

The lights of a cars go by in a stream Seems like I stand pretty much unseen But I open my eyes and beams come out

Gimme, gimme symphonies
Gimme more than the life I see
Score rise up, angels play
Let my loneliness get blown away
Gimme, gimme symphonies
Gimme more than the life I see

I lie down in the dust just under your eye A scrap of paper, thin as vapor Filling my clothes like smoke A couple of the wires in my heart are broke

I throw, I miss something, nothing But dreams, schemes, moments wasted Taste I tasted, fate I'm fated Re-edited again then copy pasted as

The lights of a cars go by in a stream Seems like I stand pretty much unseen But I open my eyes and beams come out

Gimme, gimme symphonies
Gimme more than the life I see
Score rise up, angels play
Let my loneliness get blown away
Gimme, gimme symphonies
Gimme more than the life I see

When I wanna quit, I suffocate it I chew bubblicious, stress repetitious Vicious, I'm one outsider Up above the streets on the DCY-er

Higher, fire in my guts
In a rut but what I've got
Is in no can, no other human
But I do get lonely scared I'm phony as

The lights of a cars go by in a stream Seems like I stand pretty much unseen But I open my eyes and beams come out

Gimme, gimme symphonies

Gimme more than the life I see Score rise up, angels play Let my loneliness get blown away Gimme, gimme symphonies Gimme more than the life I see

Gimme, gimme symphonies
Gimme more than the life I see
