

Even If

Dan Bremnes

Even if I sink to the depths of the ocean, Lord I'll cling to You
Even if I'm stranded middle of the desert, I'll follow You
Even if I lose my life
Even if You're all I have
I'll follow

Even if I'm lost in the center of the valley, Lord I'll look to You
Even if I'm caught in the throngs of the wicked, Lord I'll fight for You, only You
Even if I lose my life
Even if You're all I have
I'll follow
I'll follow

And I will never leave You, Lord
And You will always have my heart

Even if I sink to the depths of the ocean, Lord I'll cling to You (whoa)
Even if can't find a light in the darkness, I'll search for You, only You
Even if I lose my life
Even if You're all I have
I'll follow
