

# Lover Of My Soul

Dan Bremnes

I don't think I'll ever understand  
How You love me  
You give me breath, You give me life and I  
Give You every reason to leave

You stay here  
Even when I don't believe  
You stay right here  
Your kindness is a mystery

Even if I fall  
A thousand times  
You won't let go  
You won't let go  
Even if I run  
And try to hide  
You hold me close  
You're the lover of my soul, soul, soul

No one else would dare to love this heart  
If they saw what's inside  
You know my thoughts, all my secrets  
But still You offer me life

You stay here

Even if I fall  
A thousand times  
You won't let go  
You won't let go  
Even if I run  
And try to hide  
You hold me close  
You're the lover of my soul, soul, soul  
The lover of my soul, soul, soul

All my love, all my heart, all my life is Yours  
All my love, all my heart, all my life is Yours

Even if I fall  
A thousand times  
You won't let go  
You won't let go  
Even if I run  
And try to hide  
You hold me close  
You're the lover of my soul, soul, soul  
Lover of my soul, soul, soul  
The lover of my soul, soul, soul  
You're the lover of my soul
