

# One Day At A Time

Dan Bremnes

I've been looking at my face in the mirror  
Full of loss, full of doubt, full of fear  
These days got more questions than answers  
Have I wasted all of my chances

Thinking 'bout my kids and my wife  
Are we all gonna be alright  
I can't see, I don't know where I'm going  
But God help me keep my hands open

One day one day at a time  
It's taken all of my life  
I'm learning to trust You Lord  
Help me to trust You

When it feels like I'm flying blind  
I feel Your hand upon mine  
I'm learning to trust You Lord  
One day at a time

I should notice You've always been faithful  
Never had reasons not to be grateful  
I've spent too much time in the future  
Missing right now ain't that peculiar  
Every second and minute each hour  
I can hear You a little bit louder  
Start to find all the time that was stolen  
God help me keep my eyes open

One day one day at a time  
It's taken all of my life  
I'm learning to trust You Lord  
Help me to trust You

When it feels like I'm flying blind  
I feel Your hand upon mine  
I'm learning to trust You Lord  
One day at a time  
One day at a time  
One day at a time  
I'm learning to trust You Lord  
One day at a time

I don't wanna wait, I don't wanna wait  
Watch it all slip on by  
You're showing me the way, showing me the way  
To trust in Your ways not mine

I don't wanna wait, I don't wanna wait  
Watch it all slip on by  
You're showing me the way, showing me the way

One day one day at a time  
It's taken all of my life  
I'm learning to trust You Lord  
Help me to trust You

When it feels like I'm flying blind  
I feel Your hand upon mine  
I'm learning to trust You Lord  
One day at a time  
One day at a time  
One day at a time  
I'm learning to trust You Lord  
One day at a time
