

# Only You

Dan Bremnes

I'm in wonder of the wonder  
All the rags that I've made  
All the price that you've payed as I come to You  
Leaves me humbled  
Cause without grace I'm bound  
To all that I am and all that I cannot undo

Nothing I have can erase all the pain  
Nothing in me can bring on the change that I need  
Well...

It's only You that can change my heart  
It's only You that can mend my life  
It's only You that can make me whole  
That can make me whole

I'm in wonder, of the wonder  
Oh the life that you gave  
As you bled in my place as an offering  
Waves and thunder, have held me under  
But from here I am healed  
By the freedom that comes from the cross

Nothing I have can erase all the pain  
Nothing in me can bring on the change that I need  
Well...

It's only You that can change my heart  
It's only You that can mend my life  
It's only You that can make me whole  
That can make me whole

It's only You  
It's only You that can make me whole  
That can make me whole  
It's only You  
Yeah it's only You, woah  
It's only You that can make me whole  
That can make me whole

It's only You that can change my heart  
It's only You that can mend my life  
It's only You that can make me whole  
That can make me whole
