

Run Away With Me

Dan Bremnes

We could buy a private island
Spend our days chasing the sun
On the edge of oblivion
Take a yacht to Catalina
Get a house in Malibu
Living like we got millions
We could take that trip to Paris
We could move to Rome
There's no limits for us

Tell me what it is you want to do
Just me and you
Tell me the truth
No rules we could get lost down some street
Dance to the beat
Let's waste some time
Cause I'm taking you away inside my mind
Run away, run away, run away, run away with me
Run away, run away, run away, run away with me

We could hike up Machu Picchu
Walk London in the fall
Tell me where you wanna go
Skydive over the Grand Canyon
Road trip Yosemite
And head down to Mexico
We could take that trip to Paris
Or we could just stay home
There's no limits for us

Tell me what it is you want to do
Just me and you
Tell me the truth
No rules we could get lost down some street
Dance to the beat
Let's waste some time
Cause I'm taking you away inside my mind
Run away, run away, run away, run away with me
Run away, run away, run away, run away with me

Let's take it easy
Let's just unwind
But let's keep dreaming
Even if it's only in our minds

Tell me what it is you want to do
Just me and you
Tell me the truth
No rules we could get lost down some street
Dance to the beat
Let's waste some time
Cause I'm taking you away inside my mind
Run away, run away, run away, run away with me
Run away, run away, run away, run away with me
Run away, run away, run away, run away with me
Run away, run away, run away, run away with me
