

Wide Open

Dan Bremnes

If I gave You all
I have to give
Would you find me in
My brokeneness?
If I came to You
Just as I am
Would You meet me here and take me home?

But I'm a little afraid of what I don't know
I know You're here and You won't let go
If I step out would You catch my fall?
Whatever You want
I'm wide open
I'm wide open

When I feel a voice
Of emptiness
I remind my soul
This is not the end
'Cause You're the King of all and nothing less
So when the darkness comes I'll lift my head

But I'm a little afraid of what I don't know
I know You're here and You won't let go
If I step out would You catch my fall?
Whatever You want
I'm wide open
I'm wide open

Deep down in my soul
I know You are, I know You are
The one who can make me whole
I know You are, I know You are
Yeah deep down inside my soul
I know You are, I know You are
And I can never do it on my own

But I'm a little afraid of what I don't know
I know You're here and You won't let go
If I step out would You catch my fall?
Whatever You want
(2x)
I'm wide open
And I'm wide open
I'm wide open
Well I'm wide open

I will give You all
I have to give
'Cause You're the King of all and nothing less
