

# Wouldn't Change A Thing

Dan Bremnes

I've been a million different places  
And trust me the worst times I have tasted  
But not a single day was wasted  
(Yeah yeah) no no  
I've got a bunch of different bruises  
But that's life you try to save it and you lose it  
You know I never liked excuses  
No no

I wouldn't change a thing  
No, not a thing  
Cause some things were  
And some weren't meant to be  
And that's just the way things go  
Until it's history nobody knows  
What could've been different  
But I love this life I'm in  
And I wouldn't change a thing  
I wouldn't change a thing  
I wouldn't change a thing

You know I never thought I'd get here  
Made a choice, took a road now it's real clear  
Shoulda woulda, no I can't go there  
And I'm not saying that it's perfect  
In fact the opposite more like it, but it's worth it  
Just tryna live like I'm on purpose, yeah yeah

I wouldn't change a thing  
No, not a thing  
Cause some things were  
And some weren't meant to be  
And that's just the way things go  
Until it's history nobody knows  
What could've been different  
But I love this life I'm in  
And I wouldn't change a thing  
I wouldn't change a thing  
I wouldn't change a thing

All the glory and the pain  
Everything put in its place  
A beauty still remains  
And it's who I am today

I wouldn't change a thing  
No, not a thing  
Cause some things were  
And some weren't meant to be  
And that's just the way things go  
Until it's history nobody knows  
What could've been different  
But I love this life I'm in  
And I wouldn't change a thing  
I wouldn't change a thing  
I wouldn't change a thing
