

Hosanna

Dan Caplen

I don't think I'm gon' make it down church today, sorry
I was busy partyin' with my crew, hope that's okay, eh
Double, double vision so blame it all on the champagne, eh
Hope that you forgive me, I'm a sinner so I know I gotta pray, eh
(Hosanna, Hosanna)

I did some bad things last night
I keep on sayin' it's the last time
I don't wanna lose my damn mind, damn mind

Hosanna, Hosanna
I've been crossin' red lights
Now we gotta sing
Hosanna, Hosanna
A sinner gotta put it right
Yeah I gotta put it right
That Hennessy and Coca-Cola got me bad, bad
Four in the mornin', yeah we always singin' out
Hosanna, Hosanna

I was so tired that I didn't even pay for the cab, uh
Trippin' for so long I'm prayin' that I don't crash, oh
Intoxicated system [?] oh
I'm a fuckin' mess, got a whole lotta shit to confess, oh Lord
(Hosanna, Hosanna)

I did some bad things last night
I keep on sayin' it's the last time
I don't wanna lose my damn mind, damn mind

Hosanna, Hosanna
I've been crossin' red lights
Now we gotta sing
Hosanna, Hosanna
A sinner gotta put it right
Yeah I gotta put it right
That Hennessy and Coca-Cola got me bad, bad
Four in the mornin', yeah we always singin' out
Hosanna, Hosanna
(Hosanna, Hosanna)

Hosanna, Hosanna
Hosanna, aye-aye-aye

I know, I been lost but I'ma find a way
Hallelujah is the highest praise
Mixin' liquor got me mixin' days
But what can I say?
I know nothin', I know nothin'
Try to pace it, now let's fuck it

As I see all my demons in the sea of whiskey I never chase
Tryna recall what happened last night, no I just can't explain
Wanna save me from fallin', so you callin', but it won't be today
I get so stuck in my ways anyways

I don't think I'm gon' make it down church today (uh-uh) sorry (I'm sorry)

Eh, oh!
I've been crossin' red lights
Now we gotta sing
Hosanna, Hosanna
A sinner gotta put it right
Yeah I gotta put it right
That Hennessy and Coca-Cola got me bad, bad
Four in the mornin', yeah we always singin' out
Hosanna, Hosanna
Hosanna, Hosanna, oh

Hosanna, Hosanna
Hosanna, aye-aye-aye

Hosanna (Oh forgive me baby) Hosanna (Oh forgive me baby)
Hosanna (Oh)
