

Life Round Here

Dan Caplen

Part time love is the life 'round here
We're never done
Now we're at square one
And we waited too long

Part time love is the life 'round here
We're never done
Everything feels like touchdown on a rainy day
Part time love is the life 'round here
We're never done
Everything feels like touchdown on a rainy day
Now we're at square one
And we waited too long

Why every time I land in London, land of Lincoln all on my mind
?
I plan to plane it back after playin' a packed show in due time
I'm 'round about I bought a round of English ale for my pals
A bouncer sold a ounce of rubbish weed to me for like 200 pound
s
I think my English's getting real real bad
Cause this dumb bitch said I'm real real bad
No sprechen sie Dumb but I'm real, real good
Dark skinned Mike but I still feel bad
I'm a chill pill addict
I wonder if God's still magic
I wonder if Nas stillmatic
Down under the north it's still havoc
Why I run around wonderin', wanderin', ponderin' life
Life 'round here

Part time love is the life 'round here
(We're never done)
Never done
Part time love is the life 'round here
(We're never done)
Never done

Part time love is the life 'round here
We're never done
Everything feels like touchdown on a rainy day
Part time love is the life 'round here
We're never done
Everything feels like touchdown on a rainy day
Now we're at square one
And we waited too long
