Trouble

Dan Caplen

I'm singing hymns for you darling, here for you darling
I'm taking it day by day
I learned to pray for you darling, wait for you darling
So baby don't be afraid
And when the times get low baby you know I'll get us right back on a high
I'll behave for you darling, stay for you darling
I'll turn the wrongs to rights

You know I got you
Through the dirt and the pain
Yeah trouble always follows us
But baby we'll be ok
You know I'll hold you
When you call out my name
Yeah trouble always follows us
But baby we'll find a way

Trouble, trouble
Trouble, trouble

I go to war for you baby, die for you baby
I give you my last breath
And when your chips are down and your friends ain't around
I'll give you my last cigarette
And when the times get low baby you know I'll get us right back on a high
I'll behave for you baby, stay for you baby
I'll turn the wrongs to rights

You know I got you
Through the dirt and the pain
Yeah trouble always follows us
But baby we'll be ok
You know I'll hold you
When you call out my name
Yeah trouble always follows us
But baby we'll find a way

Trouble, trouble
Trouble, trouble

I'll sin for you darling, win for you darling
Whatever you need I'll be
Pay the cost for you darling, loss for you darling
You know you're safe with me

You know that I've been busy grinding
But it's all in perfect timing
I can see the silver lining
Me and you will soon be shining
I been busy steady fighting
I can feel the stars aligning
I been thriving, finally feels like I'm arriving
Yeah, you know I got you
I never ever put no one above you
None of them could ever love you like I love you
I hustle and I do all that I can
I'm pushing myself to the limit

If you tell me that you're ready then I'm with it

You know I got you
Through the dirt and the pain
Yeah trouble always follows us
But baby we'll be ok
You know I'll hold you
When you call out my name
Yeah trouble always follows us
But baby we'll find a way

Trouble, trouble
Trouble, trouble
Trouble, trouble
Trouble, trouble
