

Sometimes When I'm Lonely

Dan Croll

Never meant to get away
Never meant to trouble or hate
Never meant to hesitate
Never meant to look the wrong way at you

I tried so hard
And I did, I didn't mean it
I didn't mean it but I've got to be straight

I tried so hard
And I did, I didn't mean it
I didn't mean it but I've got to be true

Cause sometimes we break up
Some times we make up and it's true
And sometimes when I'm lonely
Sometimes I'd like to rewind to you

Always meant to stay awake
Make a break and runaway with you
Tried my best to fade away
Fade away with you

Cause sometimes we break up
Some times we make up and it's true
And sometimes when I'm lonely
Sometimes I'd like to rewind to you

And sometimes when I'm lonely
Sometimes I'd like to rewind to you

Cause sometimes we break up
Some times we make up and it's true
And sometimes when I'm lonely
Sometimes I'd like to rewind to you

And sometimes when I'm lonely
Sometimes I'd like to rewind to you
