Arp II: Float Away

Dan Deacon

```
Close your eyes
Float away
Feel so fine
A new day
Starts any moment you'd like
Starts any moment you'd like

Close your eyes
Float away
Feel so fine
A new day
Starts any moment you'd like
Starts any moment you'd like

Take in the air
Let thoughts unwind
Feel so fine
Peace of mind
Starts any moment you'd like
Starts any moment you'd like
```
