

Anyway I Love You

Dan Fogelberg

Here's another little song for you.
I hope you'll listen to it well.
Means no different than the others do
And it won't change you I can tell.

Anyway, I love you
Everyday I get more sure
Anyway, I love you
More and more and more and more and more.

I have so much I can offer you
More to please you with than most.
But trying to tie you down is harder than
Trying to hold on to a ghost.

Anyway, I love you
Everyday I get more sure
Anyway, I love you
More and more and more and more and more

So if you ever feel the need for me
Let it carry you along
Don't be shy and try to hold it down
Cause what you feel just can't be wrong.
