

Looking for a Lady

Dan Fogelberg

Looking for a lady
I'm looking for a lady
To change my night to day

Looking for a lady
I'm looking for a lady
To chase my blues away

Well, I have a few in mind
But none in particular
I have had them before
But nothing that was for sure

And I'm in no position to barter
And I'm in no condition to play the martyr
And I'm sadder certainly but I'm smarter
And I find myself

Looking for a lady
I'm looking for a lady
To share my empty bed

Looking for a lady
I'm looking for a lady
To soothe my aching head

Well, I have a few in mind
But none in particular
I have had them before
But nothing that was for sure

And my feelings have grown
Rigid like a wooden post
And my love is like a curtain
That has been drawn closed

And my life just isn't going
The way I thought it was supposed to
And I'm crying and I find myself

Looking for a lady
I'm looking for a lady
To change my night to day
