Tears

Dan Hartman

(Ahh)
I'm on a plane, I'm coming out to see you
I think of loving you and I go weak
But there's a chill, your not so glad to see me
That's not the way that love's supposed to be

I'm holding on cause your my one desire
To turn away and say your heart's on fire

Tears
I don't know why there's so many tears in your life
When my love is here to stop those tears
They're nothing more than sharing the pain that you feel
Can you feel self-deceived?
But love has a way of coming around
And picking you up instead of letting you down
Oh baby

You had some men who did you in girl (did you wrong)
Now you're afraid to love
So live and learn, each time is not the same girl
I could be someone you've been dreaming of
But every time I ask your heart to surrender
Your weeping eyes are never far away from

Tears
I don't know why there's so many tears in your life
When my love is here to stop those tears
They're nothing more than sharing the pain that you feel
And I'm strong enough to steal those tears

Oh darling
It's tearing up my soul
Knowing your alone with those tears
(Those tears), those tears
(Those tears), those tears
It doesn't have to be an emotional mystery

(Forget those memories)
Love has many sides and sometimes it's a big surprise
(Forget those memories), hmm-hmm
Express your love to me and tell me what you need

Oh, all about it
Don't cry those tears darling

I'm a strong man
I can love, I can take away tears
They can never refuse me
My love is real, I can turn away those tears
You know you can't confuse me

Tears
I don't know why there's so many tears in your life
When my love is here to stop those tears
They're nothing more than sharing the pain that you feel
And I'm strong enough to steal those tears

Oh so many tears in your life when my love is here baby
(Those tears, those years) oh, it's only the pain that you feel
And I'm strong enough to steal those tears

(Strong enough) oh baby
(Strong enough) oh yeah darling
(Strong enough)

All those tears
I don't know why there's so many tears in your life
When my love is here to stop those tears
They're nothing more than sharing the pain that you feel
And I'm strong enough to steal those tears
I don't know why there's so many tears in your life
When my love is here to stop those tears
