

# Can't We Try

Dan Hill

I see your face cloud over like a little girl's  
And your eyes have lost their shine  
You whisper something softly I'm not meant to hear  
Baby, tell me what's on your mind

I don't care what people say  
About the two of us from different worlds  
I love you so much that it hurts inside  
Are you listening, please listen to me, girl

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try to understand  
That it's love we're fighting for  
Can't we try just a little more passion  
Can't we try just a little less pride  
I love you so much baby that it tears me up inside

I hear you on the telephone with god-knows-who  
Spilling out your heart for free  
Everyone needs someone they can talk to  
Girl, that someone should be me

So many times I've tried to tell you  
You just turned away (how did I know)  
My life is changing so fast now  
Leaves me lonely and afraid (don't be afraid, no)

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try to understand  
That it's love we're fighting for  
Oh can't we try just a little more passion  
Can't we try just a little less pride  
I love you so much baby that it tears me up inside

Don't let our love fade away  
(Don't let our love fade away)  
No matter what people say  
(No matter, no matter what they say)  
Well I need you more and more each day  
(Don't let our love fade away)  
No matter what people say  
(No matter, no matter what they say)

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try just a little more passion  
Can't we try just a little less pride  
I love you so much baby, it tears me up inside  
Oh, can't we give a little bit more  
Just a little bit harder  
Can't we give, whoa  
Can't we try, can't we give
