

Love Of My Life

Dan Hill

You are the love of my life
And you are the reason I'm alive
And baby, baby, baby
When I think of how you saved me
I go crazy

And I've never known love like this
It fills me with a new tenderness
And I know, I know, I know
You're in my heart, you're in my soul
You're all I can't resist

And I need to tell you
The first time I held you
I knew you are the love of my life

And I spent a lifetime waiting
Always hesitating until you
I was lost and deep inside my shell
Til you came and saved me from myself
Now all I really know is I need you
I need you

You are the love of my life
And all the joy and the tears that I cried
And baby, baby, baby
You don't have to say a word
I see it in your eyes

As we stand together
I promise forever
Til the day that I die
You are the love of my life

And I spent a lifetime waiting
Always hesitating until you, oh
I was lost and deep inside my shell
Til you came and saved me from myself
Now all I really know is I need you, oh

You are the love of my life
You are the reason I'm alive
