

We Try

Dan Hill

I see your face cloud over like a little girl's
And your eyes have lost their shine
You whisper something softly I'm not meant to hear
Baby tell me what's on your mind

I don't care what people say
About the two of us from different worlds
I love you so much that it hurts inside

Are you listening
Please listen to me girl

Can't we try just a little bit harder
Can't we give just a little bit more
Can't we try to understand
That it's love we're fighting for

Can't we try just a little more passion
Can't we try just a little less pride
I love you so much baby
That it tears me up inside

I hear you on the telephone with god-knows-who
Spilling out your heart for free
Everyone needs someone they can talk to
Girl that someone should be me

So many times I tried to tell you
You just turned away

How did I know

My life is changing so fast now
Leaves me lonely and afraid

Don't be afraid no

Don't let our love fade away [x2]
No matter what people say
No matter no matter what they say
I need you more and more each day
Don't let our love fade away
No matter what people say
No matter no matter what they say
