

# Ash Babe

Dan Mangan

It's not your style to be sad  
But all us here just don't know what to do with ourselves  
Who needs hair these days?  
Supermodels couldn't make sick look good like you did

Ash babe  
Ash babe I don't want this to be a sad song  
It just comes out that way

I want to be around people  
Want to mention the things that bring out the tears in us  
I want to drink till I regret it  
Melt ya down into something that I can take around in my pocket

Ash babe  
Ash babe I don't want this to be a sad song  
It just comes out that way

And I want to remember  
Want to remember  
Want to remember
