

## Chances Are

Dan Mangan

Chances are we're gonna leave now  
Sorry for the victim now  
Though my days are filled with sorrow  
I see years of pride tomorrow

Chances, chances are some might not hold out  
Chances are, hang on right now  
Though my days are filled with sorrow  
I see years of pride tomorrow

Chances, chances are some might not hold out  
Chances are, hang on right now  
Chances are, chances are  
Chances, you're my chances  
Chances are, hang on right now

Chances are, chances are, chances are  
Chances chances are

Deal with loneliness  
Heartaches and teardrops  
Chances are, we'll have to win  
Chances are, hang on right now  
Chances are, chances are, chances...
