

Kitsch Redux

Dan Mangan

Ladies in dresses
Whores in the bedroom
Holy obsessions
Old boys in board rooms
The safety of sure doom

Call it old fashioned (Frightened States Of America)
Call it nostalgia (Universal Will To Become)
Just call it something
We can all die to

The safest offenses
Love for the home team
Boys in the trenches

Call it old fashioned (Frightened States Of America)
Call it nostalgia (Universal Will To Become)
Just call it something
We can all die to
