

Ladies in dresses  
Whores in the bedroom  
Holy obsessions  
Old boys in board rooms  
The safety of sure doom

Call it old fashioned (Frightened States of America)  
Call it nostalgia (universal will to become)  
Just call it something we can all die to

The safest offences  
Love for the home team  
Boys in the trenches

Call it old fashioned (Frightened States of America)  
Call it nostalgia (universal will to become)  
Just call it something we can all die to
