

Pretty Good Joke

Dan Mangan

Everybody's dyin'
Already bored of just livin'
It's not enough
My friends were eaten slowly alive
Somewhere it's Christmas all the time

Sorry
Everybody's sorry
Everybody's sorry
Guilty dirty sorry
Bodies
Filthy, horrid bodies
Doing what the bodies
Only know to do

Everybody's waiting
To turn of age
Become a weapon
Give the nest a shake
Oh what a pastime
Pretty good joke
Nobody gets it
Fake a laugh

Sorry
Everybody's sorry
Everybody's sorry
Guilty dirty sorry
Bodies
Filthy, horrid bodies
Doing what the bodies
Only know to do
