

## Vessel

Dan Mangan

I'm a vessel in the valley  
Getting riddled with the tally  
I'm the middle of a season  
Getting riddled with the reasons

Stop (It takes a village to raise a fool)  
Wait (It takes a village to raise a fool)  
Un- (It takes a village to raise a fool)  
-hand me (It takes a village to raise a fool)  
...

I'm the widow of a conscience  
Getting riddled with the nonsense

Stop (It takes a village to raise a fool)  
Wait (It takes a village to raise a fool)  
Un- (It takes a village to raise a fool)  
-hand me (It takes a village to raise a fool)  
...
