

Windermere

Dan Mangan

I think I said enough
I filled every cup
We could just settle up
(All I wanna do is)
Was that a shoulder check?
Or just a slow correct?
Is the car ready yet?
(All I wanna do is)

Slow down, down low
Low down, 'fraid so
Slow down, down low
Low down, 'fraid so

Show me what people do
I love the real you
Can we just see it through?
(All I wanna do is)

Slow down
(All I wanna do is)

Slow down, down low
Low down, 'fraid so
Slow down, down low
Low down, 'fraid so

Slow down, down low
Low down, 'fraid so
Slow down, down low
Low down, 'fraid so

All I wanna do is
