

## Watcha Gonna Do About It

Dan McCafferty

Our love, yea  
Is slowly going on the rocks now  
Yea, yea, yea, yea  
Tell me, tell me, baby  
Watcha gonna do about it  
Watcha gonna do about it

Our love yea, yea, yea, isn't up for jeopardy  
Yea, yea, yea, yea  
Show me, show me sugarpie  
Watcha gonna do about it  
Watcha gonna do about it

You know I've tried  
To keep you satisfied  
But you just don't comprehend  
And if you keep on doin', doin' what your doin'  
Our love will surely end

Don't you know that our love yea, yea, yea, yea  
Is slowly going on the rocks now  
Yea, yea, yea, yea  
Tell me, tell me, baby  
Watcha gonna do about it  
Watcha gonna do about it
